NOTIFY MEN FOR THE THIRD QUOTA

WESTERN BOARD RETURNS CERTIFIED LISTS TODAY.

35 MORE ARE NEEDED TO MAKE QUOTA 202

77 Names In List of Men Who Will Go to Camp Funston Next Wednesday From County.

An additional number of men, about thirty-five, will have to be called for examination to make up Nodaway county's quota of two hundred and two, according to a letter received this morning by the local draft board from Frank Blake, secretary of the Western District Draft Board at Kansas City. Mr. Blake says:

"Your county will be short about 35 men on your quota of 202. We have gone over all lists except the exemption lists and we are assuming that we will sustain the action of your board in granting the discharges. If you have not already done so, you should make another call at once."

The local board will call the necessary number of men without delay for examinations to make up the quota as now indicated by the Western board.

The certified list of those who will go in the third quota on next Wednesday was received this morning. The list contains sixty-eight names. To these will be added the names of nine men already available from former certifications, these to be included in the third quota. There were three men in excess of the number required in the last quota to leave, so this leaves the number of men required for the third call within one or two of the number indicated.

A FIRST REHEARSAL

TWENTY-THREE YOUNG MEN REPORT FOR BAND PRACTICE.

T. B. MAULDING DIRECTS

Young Men In Their Teens Make Up the Personnel of the New Organization—Others Invited.

Twenty-three young men reported at the band room last night for their first rehearsal with Prof. T. B. Maulding, band leader, who has interested some of the younger talent in forming an organization, and who is giving them instruction free one night in each week. With the exception of five, all had their own instruments and a number of patriotic airs were played in a creditable manner. Every encouragement will be given the young men to continue the work so well begun and an invitation is extended to others who desire to take adantage of the training offered.

The following young men were at the first rehearsal:

Clarinets—Harold Adle, Edwin McPherron, Claude Glass, James Robinson.

Cornets—Ralph Yehle, Harold Stafford; Lewis Howard, William Saunders, Russel Allen, Wesley Hagins, John Griffey.

Trombones—Fred Masters, Jessie Boatman, Carl Miller.

Altos—Henry Sawyers, Clifford Lyle, Cecil Bell.

Baritone—Joe Price.

Bass—Gerald Whaley, Melvin Neu.

Instruments not selected — Glen Trullinger, Frank Russel, Lee Mair.

Community Effort Results in Securing Lyceum Course — Two Numbers Each Month.

The six months lyceum course put on by the Chautauqua Moving Picture Bureau of Kansas City will appear with its first feature of the twelve series on Saturday night, September 29, at the Christian church. This is a community enterprise, and will bring a program twice a month, or every other Saturday night.

The two churches will alternate in taking care of the audiences. "Vicar of Wakefield," will be the first number. This course promises to the lover of good literature and the student of characters a study of the best productions ever presented on the screen.

Each program promises from one and one-half to two hours of entertainment. Season tickets at the price of $1 are on sale at the Pickering bank, and a few school children are selling tickets in a contest.

Semi-Annual Rummage Sale.

The women of the Christian church will hold their semi-annual rummage sale Friday and Saturday, Oct. 5 and 6, in the Frost building, west of the Alderman-Yehle store.

PLAN A COUNTY ALLIANCE

Local Ministers Will Invite All Pastors in County To Form New Organization.

With a view of widening the scope of work being done so that all the ministers in the county might avail themselves of such ideas and benefits as are derived from association with each other, members of the Ministerial Alliance at their meeting this morning decided to form a county alliance and will invite all the ministers in the county to participate.

It is planned to have a meeting once each month and October 15 has been named as the date for the first meeting. It will be held in Maryville at a place to be announced later. The members of the alliance point out that such meetings may be made very interesting and varied programs will be planned as occasion requires. Civic matters also will come in for a large share of attention.

It was announced also that beginning with Sunday night services at the various churches would begin at 7:30 o'clock instead of at 8, as has been the custom during the summer. Young peoples society meetings will begin an hour earlier.

Mrs. W. C. Cozad of Kansas City, a sister of A. W. Hoover arrived in Maryville today to visit for several days at the Hoover home.

Here From O'Keene, Okla.

R. W. Kinney of Okeene, Okla., arrived in Maryville Saturday night, and has accepted a position with the Townsend Grocery company. Mr. Kinney is a former employee of this company.

SUES FOR NURSE SERVICE

Bessie Coleman Asks $5,040 of Joseph Holker for Care of His Invalid Child.

In the district court today a jury is hearing the case of Bessie E. Coleman against Joseph Holker, on contract. In her petition the plaintiff states that for a period embracing 253 weeks she cared for an invalid child of the defendant, the child being unable to care for itself from the age of eighteen months. She also claims that Holker told her to care for the child well and that she should be well paid for her services. The promise was not made good, it is alleged, and the plaintiff asks that she be reimbursed in the sum of $5,040, or at the rate of $20 per week for the period named. The parties all live near Hopkins.

The jury is composed of: Wm. Davenport, Fred Wright, John Boedecker, Earl Heflin, J. F. McManus, T. J. Tobin, J. W. Wiley, C. C. Nelson, Henry Wagner, C. B. Johnson, James Miller and Geo. Goff.

The jury in the case of the American Merchants Syndicate against J. J. Hall, a suit on three promissory notes, returned a verdict late in the afternoon in favor of Mr. Hall.

In the case of Russell I. Bilby vs. Mary F. Powell et al, to perfect title judgment was recorded for plaintiff.

In the case of Mary F. Gibbs et al, vs. Sarah Cline et al, to perfect title, judgment was given for plaintiff.

A GOODBYE SERVICE

MINISTERS ALLIANCE PLANS A FAREWELL FOR THIRD QUOTA.

A DINNER AND LUNCHES

Business Men Will Be Asked to Close Stores — Dr. F. G. Smith, of Kansas City, Invited.

A program that will include a religious service at one of the local churches was formulated this morning by the Ministerial Alliance at their regular meeting in honor of the men who leave next Wednesday to join the National army at Camp Funston. A committee was named, composed of Rev. C. Emerson Miller, Rev. R. G. Holliday and Rev. S. A. Coile, to make the necessary arrangements.

It is planned to have also a dinner for the men and to give them a nice luncheon put up in boxes to take with them when they leave. The religious service will be held in the church with the largest seating capacity, and the dinner in another. An effort is being made today to secure Rev. Frank G. Smith, pastor of the Admiral Boulevard Congregational church in Kansas City to address the men, but at the hour of going to press no word had been received from him as to whether he would accept the invitation to come.

Members of the Alliance decided that a request would be made of the business men of the city that they close their places of business during certain hours in the afternoon, so that all who desired might attend the service. The women of the different churches will be asked to make an effort to complete the soldier's kits that are being assembled so that each man who goes may take with him an individual kit.

These are the general plans outlined by the ministers this morning. The committee began work at once on the details of the farewell service and announcements will be made as they are developed.

Christmas Boxes to Boys in France Must Go By Then — Committee Is At Work.

The ladies who have charge of the Christmas boxes for the boys in France are anxious that no one be overlooked and have asked that any one who has relatives or friends from Nodaway county there, give their names and addresses to Mrs. C. V. Martin. The names must be in her possession before October 1 in order to have the boxes reach their destination on time. Mrs. Luther Forsyth has been named as chairman of the committee with the assistance of the Hospital unit of the National Surgical Dressings society, who will look after the boxes and their assembling.

I. J. Crossan, who has been very ill for several days is improved today.

BOYS LIKE FUNSTON

ALL WERE EXAMINED ON ARRIVING AND WERE PASSED.

COMFORTABLE BARRACKS

In A Letter to The Democrat-Forum David Parmley Expresses Appreciation For Barbecue.

The Nodaway boys who left Maryville in the last quota are doing nicely at Camp Funston and David Parmley, in a letter to The Democrat-Forum expresses appreciation in behalf of the others for the farewell barbecue. His letter is as follows:

Camp Funston, Sept. 23, 1917.

Dear Friends:

We, the boys who left Maryville September 19, didn't change cars until we arrived. We were switched from one train to another and were given a good supper on the diner. We arrived in Camp Funston Thursday morning about 4:15 and were given a refreshing cold bath before being taken to our barracks.

We have been examined and passed. We were all vaccinated and some were a little sick and sore, but will soon be over it.

I am at the Y. M. C. A. now; we are going to have preaching today. There was a free entertainment last night, and it was great. We are going to attend often for much good advice is given.

We are going to have the pleasure of many kinds of sport in various kinds of games. It is going to be great instruction. Our officers are fine men and we have a nice place to stay; our barracks are just grand and all built just alike in a nice valley about three miles east of Fort Riley. We have received most of our clothing and bedding and I have a cot. We have fairly good meals. I want to thank the Maryville people for the nice barbecue they gave in our honor. It was much appreciated and I also want to thank the ladies that gave me my kit which is very useful.

I remain,

David Parmley,

Co. B. 356th Infantry, Camp Funston, Kansas.

TREATED FINE OVER THERE

Bryan Sells, Writes To Mother From England of Splendid Treatment Received.

Nodaway county boys in the service of the United States nearly all write of the splendid treatment they receive. In a letter to his mother, Mrs. Nancy J. Sells, of Maryville, from Bryan Sells, with the American Expeditionary Forces "somewhere in France," dated September 3, he writes that he could not want better treatment. His letter is as follows:

"Borden Hampshire, England: Dear Mother: This is to let you know that I am all right and in good health. You may not get your allotment until the first of October, when it starts in at ten dollars per month; at the end of that time you will draw thirty dollars each month. We had a good trip over and I enjoyed it very much. We will be here but a few days and then will go to London to parade before King George, I suppose, then on to "somewhere in France."

"Don't worry, mother dear. God will take care of us as He has always done and if I should lose my life it will be for honor and for wives, mothers, brothers and sisters.

"I saw that wonderful spot on earth —Ireland; the shamrocks are there all right and plenty of Irishmen, too. It is so queer over here, but I never wanted for better treatment. Love to all and write soon, to your loving son.

"Private Bryan Sells, American Expeditionary Forces, Battery D., C. A. Brigade, Somewhere in France."

Basket Dinner At New Hope.

Rev. Ossman, pastor of the Baptist church of New Hope, east of Hopkins, announces a basket dinner for next Sunday, and if the weather is fit, a very large crowd is expected. Rev. Watts, of Clearmont, will preach in the morning and following the big dinner, Rev. Wiles of Maryville, will deliver the sermon, beginning at 2:30 All are invited to come and enjoy the feast of good things both temporal and spiritual.

Prof. E. L. Harrington left this morning for Kansas City, called there by the serious illness of his mother.

FORM ORATORIO SOCIETY

Marcus T. Nielsen Wants 150 Voices For Concert Work — First Meeting Next Tuesday.

Has Maryville one hundred and fifty or more good voices? Marcus T. Nielsen, teacher of voice at the Maryville Conservatory of Music believes that there are that many—at least with voices that may easily be trained for oratorio work—and in this belief he will undertake the organization of an oratorio society. A call is made for all who are interested in the formation of such a society to meet next Tuesday night in the recital hall at the Conservatory, when Mr. Nielsen will explain the details.

It is planned to give concerts during the winter with a well known artist to take the solo parts, thereby giving the music loving public something out of the ordinary and that is worth while. Mr. Nielsen will also have a large orchestra in connection with the oratorio society and rehearsals of both vocal and instrumental will be held weekly, and visits will be made to nearby towns.

The invitation to become a member of this newest organization is open to any one who is interested in the work, and Mr. Nielsen confidently expects to have at least one hundred and fifty persons available for concert work this winter.

A NORMAL RECORD

ENROLLMENT FOR QUARTER WILL PASS THE 300 MARK.

THE OTHERS SHOW LOSS

The Best Showing This Year By the Local School for Any Period In Its Existence.

The State Normal school of this city is making a remarkable record in comparison with the other state institutions this year. This is especially satisfying to those in charge of the school and its friends throughout Northwest Missouri.

President Ira Richardson, who was in a conference in Jefferson City last week with the presidents of the other normal schools of the state, learned that the enrollment in the other schools was approximately as follows: Kirksville, 406; Warrensburg, 447; Cape Girardeau, 311; Springfield, 370.

The enrollment in these schools has doubtless increased somewhat this week, but each of them should be having an enrollment approximately as follows: Kirksville, 575-600; Warrensburg, 600 and over; Cape Girardeau, 425; Springfield, 500-550.

The enrollment today in the State Normal school of this city is 295, with other students yet to enter, so that the enrollment for the quarter will pass the three hundred mark. The total enrollment for the fall quarter last year was 336.

A further indication of the standing and progress of the school is the fact that the number of college students enrolled this year is over 200, with less than 100 students of high school rank. This is the best showing that has been made by the local school for any period of its existence, and in view of the fact that practically all co-educational institutions are suffering large reductions in their enrollment this year, the enrollment at the local school is an indication of its standing and continued growth, although the number enrolled is at this time fifteen or twenty less than the corresponding period last year.

Are Not Interested in It.

Washington, Sept. 27.—Germany's latest peace "trial balloon" the verbal offer to the Pope to quit Belgium under certain trade and military guarantees, fails absolutely to interest the United States government, officials made plain today.

CALM UNDER ATTACK

AMERICANS UNHURT WHEN HUNS BOMBARDED BARRACKS.

A NIGHT BATTLE RAGED

British Advance On West Flanders Front Goes Steadily On — Near the German Base.

Special to The Democrat-Forum.

American Headquarters in France, Sept. 27.—German aviators have bombarded the barracks of the American army engineers, but none of the men received a scratch. The attack was made at night and the Americans took it calmly. This is the first report of an attack against an American cantonment in France.

The details have not been given out but it is learned that King Albert of Belgium and President Poincare of France had a narrow escape from death while visiting the Verdun front one day this week.

London, Sept. 27.—The desperate battle which began at dawn yesterday on the west Flanders front raged all night and today these important results have been attained by the British advance: The British have advanced from half a mile to a mile over a front six miles wide east of Ypres. The newly won ground has been consolidated and although powerful German counter attacks were beaten off in the meantime, about 2,000 German prisoners were captured. The fortified village of Zonnebecks is now in the hands of the British and the German front has been beaten back until it is only seven miles from the great German base at Roulers. Important high ground commanding the Flanders plains is now menaced by General Haig's army.

Paris, Sept. 27.—Failing in their efforts to recapture lost ground on the Verdun front, the Germans delivered a violent assault during the night but were repulsed.

LABOR HOLDS UP WORK

Government Departments Will Make Effort to Settle Disputes for Period of the War.

Special to The Democrat-Forum.

Washington, Sept. 27.—The two departments of the government whose activities in preparing for war have been most seriously hampered by labor troubles, moved today to secure definite final settlement next month which will hold for the period of the war. October 2 the heads of all international unions whose men are employed in the navy yards will meet the navy officials in Washington. Secretary Daniels announced that a final adjustment of the disputes would be made on October 3. The wage adjustment board and the shipping board will go to the Pacific coast to confer with employers and in an effort to settle the strike of the shipbuilding workers.

Exemption For R. R. Employees.

Special to The Democrat-Forum.

Chicago, Sept. 27.—The exemption board here today is considering the request of four railroads for a blanket exemption for their employees, contending that the drafting of their men causes a shortage and seriously handicaps the movements of war supplies.

These Talented Women Will Help in Your Kitchen—Through the Hoosier Cabinet

Hoosier's Council of Kitchen Scientists are among the most capable authorities in the whole domain of household economics.
They skilfully experiment with Hoosier Cabinets in their scientiffc kitchens and laboratories. And thus they devise unequaled features for saving you time and labor in your Kitchen.
Single-handed these experts could serve but few women. Working through us, their helps and ingenuity are open to every home.

New Kitchen Cabinet discoveries which some of these specialists have made are built into the Hoosier. They give us expert advice for women who own the Hoosier—for those who have bought it, as well as those who will. Some plan entire kitchens.

Lifetime Convenience.

Not a dollar is added to the regular price. And you can secure the Hoosier on easy terms.

Here are 40 work-reducing features that save you hours of time and miles of steps.

Within arm's reach are places for 400 artices.

Experts have planned each section scientifically—the most used things will be closest at hand. Hoosier makes use of space that in many cabinets is wasted.

Not only is this a cabinet of super-convenience, but its lifetime standard of construction cannot be surpassed.

Hoosier Cabinets fit every size of kitchen.

Surprising Prices.

More women buy the Hoosier than any other five makes combined. This enormous output cuts manufacturing costs in many ways.

So, notwithstanding the many extras you get in Hoosier, the prices are as low as any — **$24.50 to $36.50,** according to design, equipment, and your location.

You can pay as convenient—a small amount weekly. Your money all back if you are not delighted.

The Storks Arrival

What a world of love the baby brings! Thousands of women for over three generations awaiting motherhood have themselves given nature a helping hand by the daily use of the time-honored external preparation, "Mother's Friend". By its regular use the tendons and ligaments are made elastic and the tendency to morning sickness is avoided. Stretching and bearing down pains usually are not felt and the muscles relax easily when baby arrives. Do not go a single night without applying it. By assisting nature, the crisis is one of less pain and danger. Ask for a bottle of "Mother's Friend" at your druggist's today and write for valuable book brimful of information, "Motherhood and the Baby". It is free. Address The Bradfield Regulator Co., Dept. D, 309 Lamar Building, Atlanta, Ga.

This is the Stove Polish
YOU
Should Use
BLACK SILK
STOVE POLISH
IT'S different from others because more care is taken in the making and the materials used are of higher grade.
Black Silk Stove Polish
Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish. Used on sample stoves and sold by hardware and grocery dealers.
All we ask is a trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. Insist on Black Silk Stove Polish.
Made in liquid or paste—one quality.
Black Silk Stove Polish Works
Sterling, Illinois
Use Black Silk Air-Drying Iron Enamel on grates, registers, stove-pipes—Prevents rusting. Use Black Silk Metal Polish for silver, nickel or brass. It has no equal for use on automobiles.
